WODONGA TAFE AG SCHOOLS

Welcome to the gateway into Agriculture skills training and the start of what we hope will be a very exciting career in Agriculture for students! Agriculture makes up a big web of job opportunities at many different levels. Whether it be on the farm, supporting the farm, supplying the farm, buying from the farm, processing, transport and of course feeding the world.

AG SCHOOOLS / CERTIFICATE III IN AGRICULTURE (AHC30110)

This program is designed around the essential skills needed to work on most farms around Australia, as a farm hand. This is a nationally recognised qualification and traineeship, completed over a period of 12 months. This qualification is worth units 1, 2, 3 & 4 on the VASS system and adds a 10% bonus onto Year 12 ATAR scores! A great opportunity for students!

AG SCHOOLS has a unique structure; students attend a campus every fortnight during school terms. Wodonga TAFE has 5 working farms secured for our 5 different regions (Benalla, Dookie, Elmore, Seymour & Wodonga). Each fortnight students will begin a new subject, completing both theory and practical training. Every other week students go to their workplace and implement the skills learnt at AG SCHOOL the week before.

STEPS TO JOINING AG SCHOOLS

- Speak with your careers advisor at school
- Get in touch with Wodonga TAFE AG SCHOOLS
- Find an employer/workplace in an agricultural setting for work placement
- AG SCHOOLS will then take it from there!

The experience of multiple working farms, exposure to industry leaders and field days will be a part of a class they will never forget! The training plan is structured so that expectations of the students are that of a real workplace, such as team work, attitude, safety, punctuality, showing initiative, problem solving, gaining confidence, communication, timelines and deadlines.

PATHWAYS

Missed your opportunity to join Ag Schools whilst at high school? AG SCHOOLS is open to anyone up to the age of 20, regardless of whether you're currently undertaking studies at high school. This program is a perfect gap-year opportunity for students in Year 12. Instead of heading straight to Uni, Wodonga TAFE offers pathways from our Diploma of Agriculture (AHC50110), straight into a bachelor's degree with up to 12 months credit! Simply contact Wodonga TAFE directly to apply!

Funding may be made available to eligible individuals and employers by State and Commonwealth Governments. If funding is utilised, this may affect opportunities to access additional funding in the future. All listed courses lead to an AQF qualification or statement of attainment. RTO: 3097
